9 Since the grant of half a day's holiday in a week to the Sanitary and Conservancy Establishments of certain Municipalities is neither covered by any existing rules nor contemplated in the G O of 17-1-38 referred to above the objection raised in this behalf during the audit of the accounts of the Gubbi Municipality is valid.

10 If Government however consider that the grant of this special concession of half a day's holiday in a week to the Conservancy and Sanitation Staff of Municipalities is necessary for such reasons as those put forth by the Deputy Commissioner, Tumkur District, and could be brought under the terms of the G O No L 5747-60/M1 160-35-15 dated 17-1-38, it will be necessary to issue an order to this effect. Regarding the grant of half a day's leave on Saturdays to the Conservancy staff in Gubbi Town Municipality for the purpose of washing etc , -

Sir,

In forwarding herewith in original the entire file of records received from the Amildar in charge of Gubbi Town Municipality on the above subject, I have the honour to state as follows -

It is seen from the connected records that, on a reference from the then President of this Town Municipality in the year 37-38, my predecessor in office (Mr E V Ganapathi Iyer) had ordered that the proposal may be given effect to as the system of granting partial leave on a certain day in the week mostly on shandy days is in vogue and besides as it goes a long way to improve the clearliness of this class of workers

It is now stated that the Auditors have, during the audit of accounts of this Municipality for 39-40, observed that sanction of Government is necessary for the special leave of half a day in the week as per rules and the Amildar in charge of the Gubbi Town Municipality seeks sanction to the same

In these circumstances , I request that sanction of Govern ment may

SIR

I am submitting herewith an extract from the Statement of objections on the audit of accounts of Gubbi Municipality for 1939 40, regarding the allowance of ½ holiday every week to the Sweepers and Scavengers of the Municipality, I beg to submit that the Municipal Council in their meetings held on 30 & 38 and 6 & 38 resolved that the ½ holiday on every Saturday may be granted to the Sweepers and Scavengers On a recommendation from the Office submitting Sanction to give effect to the resolutions aforesaid, the Deputy Commissioner in his Office Memo no: Nil HC 3753/37 38 dated 29-6 38 ordered that the proposals may be given effect to as it goes a long way to ensure the cleanliness of the Class of workers

In Connection previous reference am submitted herewith for favour of perusal

In this Connection I beg to state that it is in vogue in almost all the Municipalities to grant casual holidays to the Sweepers and Scavengers on Thursday days and other days. On Thursday days the staff is taken for watching the drawal goods; in the Municipality as such casual leave is granted on Saturdays to wash themselves and attend to the religious bhajans

I therefore beg to request that kind sanction of Government may be obtained for allowing the holiday on every Saturday as intended

Dear Sir,

I have the honour to submit for your kind and favourable consideration the following summarised appeal issued by the All India Harijan Sevak Sangha, Delhi, regarding the betterment of the living and working conditions of the sweepers and scavengers employed under the Municipalities

The joint meeting of the Congress Labour Committee and Congress Ministers and the Parliamentary Secretaries for Labour that met at Calcutta in September 1937 among other things, passed the following resolutions and ix improvements of the conditions of the Sweepers

This Committee xxxx draws the attention of Congress Ministries to the deplorable condition of the Sweepers who are engaged in the urban Municipalities for cleaning the latrines, roads etc , and requests them to make prompt and effective measures to improve their conditions of work and also wages where these are found to be inadequate

On the strength of the above resolutions, various Provincial Governments are taking action in circularising the Municipalities in their areas to adopt the following ameliorative measures,-

1 Adequate and regular monthly pay

2. Abolition of all kinds of bribes to the supervising sanitary staff

3. Provision of pacca sanitary houses with
